

No one has achieved the minimum to take the oral exam. In general, knowledge of the subject appears to be very poor and far from adequate.

In addition, I found serious issues of plagiarism, so the students:

- Ali Syed Asad
- Chandala Niharika
- Dandu Aarthi
- Rajulapati Sravya
- Siddegowda Sushmitha
- Usman Muhammad

are strongly advised not to submit the next assignment of July 8 and to repeat the test in September instead.

Should you have any complaints, please address them to the course coordinator, Prof. Raffaele Bolla.
